Test

You have chosen to take the following test.

Name Entry Fire Practice Test

Description Welcome to the practice test for Entry-Level Firefighter! This test was designed to assist you in preparing for the CPS HR Entry-Level Firefighter test. The practice test is not timed; however, to simulate the actual administration experience, we recommend you time yourself for two hours while working through the questions. After you have submitted your responses for each question, you will be provided a score for each test section. You can re-take the practice test one additional time.

Please remember this practice test is for personal use only. Sharing this test, providing a copy to a third party, replicating the material, or posting content on websites is strictly prohibited and a violation of the terms and conditions of purchase.

If you have any technical difficulties, please contact us at crsupport@cpsr.us.
